2 The situation is simply this. The Swamy in his Srimukha dt 3-6-17 while intimating that he had arranged to return to Head quarters from his tour in the middle of June 17, brought to light the fact that the usual allowances (without reduction) were being granted to the Nattu even during his absence on tour and that they may be continued to him on his return - Upon this the Secretary passed orders as follows:-

"There is no question now about the excess, since the quantity has been given and expended. The Srimukha may be sent to the Dy: Coms for note and record" dt 21/6/17

3 A letter no 3176 dt 27-6-17 was accordingly issued to the Dy: Coms -

The Srimukha was forwarded to the Dy: Coms in continuation to this office letter No. 4175/123-17-2 dt 27-8-17 and the Swamigalu was also informed that the G.O. No. 2854-7/Mis 291-15-8 dt 17-5-17, a copy of which was sent to him, was clear on the point and that his Srimukha was

Dear Sir,

We are unavoidably, though reluctantly, compelled to write to you at some length about the question of the monthly allowances to the Mutt during our absence therefrom on tour between January and June 1917.

It was on 8-5-1910 that, while we were on tour at Harnodi after long years of absence from the Sri Mutt, we received No. 2592 / Mwy 584-09 of 27.4.10 from Mr. A. Subrah-
many Ayyar Earnestly impressing on us the advisability of our returning to our Mutt and taking over the administration from the hands of the government and the latter's willingness to make all such Arrangements as we might require for the temple Services etc at the Mutt. Accordingly we returned to our headquarters and took charge of the internal Management of the Sri Mutt but, on

[P.T.O]

account of our firm conviction about the Superior character of the Government's management in comparison with any private individual's administration, preferred to leave the Control of the Mutt affairs in the hands of the Government. We therefore gave the Government a detailed list of our requirements which were, however, calculated on the most Stringently economic principles, and the Government Sanctioned the Same without question. Soon afterwards, when we found it possible to effect certain economies in the internal expenditure, we not merely did so but Notified the fact to the Government and also went out of our way to request the Government to diminish the Monthly allotment made to us. Subsequently, when the Sri Mutt Pit sala came into being and we undertook to Support the Five Jangamas that joined it from abroad, we Notified the Government of this and Asked for a slight increase in our Monthly allotment, still Keeping the figures Considerably below the ones originally allowed and Voluntarily cut down by ourselves.

Coming on from ancient history to the recent past, i.e. in November 1916, when we proposed to tour in South Canara, we again Voluntarily wrote to you (our No. 872 of 20-11-16) about our proposed tour and requested you to reduce our Monthly allowance from 30 Candies of paddy and Rs 38-5-4 in Cash to 20 Candies of paddy and Rs 19-2-8 in Cash during our absence on tour. To this we received No. 1662 / Mus. 216-15 of 11-1-1917 informing us that our Srimukha had been sent into the Deputy Commissioner of the Kadur District. We heard nothing further about it but the Shekdar of the Harihar pura Hobli brought us, sometime in January 1917, an order received by him from the

Deputy Commissioner (or the General Assistant Commissioner in charge) to the effect that from the 1st January 1917 the original Scale of 30 Candies 4 pads and Rs 38-5-4 would be Continued. In View for our Voluntary request for a reduction thereof, we were surprised at that order but the Shekdar wanted us to affix our signature thereto in token of our having been informed thereof and we did so.

Our long and Serious illness of Nov. 1916 having intervened, we were actually able to start on the 19th of January 1917 and the matter was not heard of again by us till the 1st of June 1917 when, while in camp at Mudgere we received G.O. No. 2854-7 Mudg. 291-15-8 of 17-5-1917 from you, informing us that the original Scale would be Continued from the 1st of January 1917

(PTO)

and that the reduced Scale asked for by ourselves would be put into force during our absence on tour. After all the aforedescribed Correspondence, this was rather astonishing and especially in Value of the fact that the Shekdar had, in January last, brought us the aforesaid order and that the local Taluk Officials had been refunding paying into the hands of the Mutt Officials the original quantity of paddy and the original Cash Amount all during our absence and these Amounts had since been expended on the original Scale, the receipt of this order in June was most unfortunately belated, Especially as it referred to a Scale of Expenditure to be brought into force with retrospective effect i.e. from 1st January. Besides, we had, as a matter of fact, left Hariharpur, only on the 19th January.

We were therefore obliged to write to you vide our No. 926 of 3.6.17 explaining these circumstances Succinctly and the impossibility of this order of May 1917 coming into retrospective effect. Not having received any reply thereto for some time, we wrote to you further (our Srimukha No. 746) on 12.8.17. In reply to this, we at last received your No. 476 Mms. 123-17-2 of 27.8.17 signed by Mr. M.S. Sastri Rao and — informing us that our Srimukha had been sent to the Deputy Commissioner for necessary Action.

We therefore fondly imagined that the matter had practically been solved and needed no further Correspondence. Meantime, on account of the poor income from our recent tour and the pressing needs for our festivals during the Navarathri etc, we were obliged to ask you for a loan out of our own funds with the Government. You were kind enough to get this sanctioned and we have able to tide over all our difficulties of this season and we shall

doubtless be able, after the Setting in of the next season and the income (Kanikkas etc) from our disciples. thereafter, to repay the Amount Still due by us to the government

At such a critical juncture, when our financial predicament has compelled us to borrow from our own account with you in order to keep us going, we have been astonished and dumbfounded by his. No. 340 from the Amildar of Koppa informing us that according to order no. 315 of the Divisional Assistant Commissioner (whose wording we are unaware of), our monthly allowances will be Stopped until the amount paid to the Mutt in excess during our absence (through no fault of our own, under the circumstances hereinabove fully and clearly detailed) is entirely recouped.

This procedure can only mean that we with our

deities, Vidyarthis etc there Stone Strike for about five months. This was not the impression that was produced on our mind by ~~your~~ perusal, then and now, of your No. 476 Mwz. 123-17-2 of 27.8.17 Nor is it conceivable that, after a careful scrutiny of all the facts as placed before you, you could think it the proper thing under the circumstances. In both our Memorials No. 726 of 3.6.17 and No. 946 of 12.8.17 we had clearly explained the utter impossibility of letting the G.O. of May 1917 take effect from January 1917 and we had, afterwards, also to borrow from you to pull us through the Navarathri etc. We therefore feel impressively astonished at the Divisional Assistant Commissioner's order No. 315 forbidding the payment of our monthly allowances to us until the excess paid to us during our absence therefrom is wholly recouped. But we feel equally confident that we need only bring these facts in detail to your notice, in order to get this impossible situation remedied at once. Meantime we are wholly disabled from carrying on even our daily work properly and we therefore look for early instructions from you to the District and Taluk Officials on the matter.

This letter has grown too long but the circumstances of the case are so peculiar that we (who were in no way responsible for this unfortunate chapter of errors) thought it best to give you a correct idea of all the details thereof.

We would also avail ourselves of this opportunity to mention that we have always given you considerably long notice of any terms proposed to be undertaken by us, have always voluntarily written to you to recover our allowances whenever it was

possible to effect any economies therein and have always riforously Kept our undertakings. We need hardly add that we shall always continue this practice in the future also but, in cases of short pilgrimages occasionally undertaken by us for a few days to neighbouring shrines, thither as we, our returns will necessarily be small and the monthly scale of expenditure at the Mutt during our absence will naturally not be appreciably affected thereby.
